

## Safe Summer Block Party

Purpose: Participate in the upcoming Safe Summer Block Parties organized by Artimaes "Peppa" Williams.

Goal: To promote the Operation Safe Community 3 Plan within the different communities that will host the Safe Summer Block Party.

### Objectives:

1. Work with the Neighborhood Watch Coordinators within the areas to promote neighborhood watch and community awareness.
  - a. Build trust among participants and law enforcement;
  - b. Interact with law enforcement and participants utilizing community police personnel;
2. After identifying the specific community hosting the Block Party and understanding the specific concern within the area, we strategically deploy the Objective within the OSC 3 Plan that will address that concern.
3. Set up table/booth at each Party to get citizens to participate in the Police Joint Agency (PJA) within their areas.
4. Invite our partner organizations to participate in the Block Parties. (DV, Community Prosecution, Juvenile Court, MSCOR)

I would also suggest we provide a giveaway to remind the participants of our being there besides the push card. <https://www.marcopromotionalproducts.com/Product-Videos/Blog/carabiner-whistle-safety-light-video.htm>
